Application No. 10/826,941

Continuation of 3. NOTE: The removal and addition of features to the claims are considered to be new issues since the claim language now present in the amended claims is different from the claim language in the finally rejected claims. For example, claim 1 now recites " a ring member...forming a funnel shaped surface and extending outward from the body" which raises new issues with respect to claims 2 - 6 since the newly added limitation was not considered in the finally rejected claims.
